To

The Secretary to the Government of Madras,
Home Department.

No.81/48.F.II New Delhi, the 21st May 1948.

Sub: REVIEW OF THE CASES OF INTERNEES AND PAROLEES WHO were released in India as technical experts for employment on work of national importance.

--

Reference the late Home Department Circular Express Letter No. 10/18/46-Poll(EW) dated the 8th August 1946, regarding the release in India of internees/parolees as technical experts for employment on work of national importance.

2. A detailed statement showing the names and other particulars of the internees/parolees who were released in India in pursuance of the decision of the Government of India contained in their letter cited above, is enclosed. The Government of India would be glad if they could be furnished at an early date with information on the following points in respect of those of the persons included in the list who took up residence in your province, or who having taken up residence on release in another province are now resident in your province:-

(a) whether the individual is still in employment with the same firm for whom he was released; if so, the period of the contract with the firm.
(b) if he has changed his employment, when change took place and with whom is he at present employed; period of present contract; whether his present employment is of a similar nature; if not whether the Provincial Government/you consider that his present employment is in the national interest;
(c) if he is unemployed, since when has he been without employment; and prospects of his securing employment.
(d) whether he has, since release, come to adverse notice; if so details of undesirable activities may be given.

3. A very early reply is requested.

4. On receipt of the information requested above, the Government of India propose to re-examine, where necessary, cases of these foreigners with a view to determining if their continued presence in this country is necessary in the national interests.

G.V. BEDEKAR
Deputy Secretary to the Govt. of India.

Sir,

I am directed to say that the cases of persons mentioned above have been examined in the light of the information received from the Provincial Governments. It has been decided that since all the persons concerned are usefully employed and none of them has come to adverse notice they may be allowed to continue to stay in India.

I am, however, to suggest that if any of them becomes to adverse notice or is in the opinion of the Provincial Government not usefully employed, his case may be reported to the Government of India for orders.

Yours faithfully,
